- Strength, mobility and stretching exercises
- Controlled hanging and pull-up exercises
- Use in homes, training studios and physiotherapy environments

4. Declaration

The manufacturer declares under its sole responsibility that the product identified above has been designed and manufactured so that, when correctly installed where applicable and used for its intended purpose in accordance with the supplied instructions and warnings, it complies with the general safety requirement and applicable manufacturer obligations of Regulation (EU) 2023/988.

5. Basis of the declaration

- Product specification, materials and construction review
- Internal assessment of intended use and reasonably foreseeable misuse
- Assessment of mechanical, stability, entrapment, fall and installation hazards as applicable
- Manufacturer functional inspection and quality-control procedures
- User instructions, mounting requirements and safety warnings

6. Essential safety conditions

- Mount only to a structurally suitable masonry, concrete or equivalent load-bearing wall using fasteners appropriate to the substrate.
- Installation must be performed in accordance with the supplied instructions, with all wall attachment points used.
- Children must use the product only under direct adult supervision.
- Do not exceed the stated user-load limit in the product instructions and do not apply shock or impact loads.
- Maintain clear space around the ladder and optional station. Verify locking and seating of accessories before each use.
- Inspect rungs, side rails, joints, covers, station and wall fasteners regularly. Stop use after any loosening, cracking or damage.

7. Regulatory status

This is a voluntary manufacturer product-safety and compliance declaration. It is not an EU Declaration of Conformity issued under CE-marking legislation. Based on the product function described above, no CE mark is affixed under this declaration. Any third-party wall, door frame, gym ladder, hangboard, climbing hold, fastener or accessory remains subject to its own suitability, limits and documentation.

8. Technical documentation and validity

The manufacturer retains product identification, construction information, internal risk assessment, test or inspection records, user-safety information and traceability records for the period required by Regulation (EU) 2023/988. This declaration applies only to an unmodified product. Unauthorised modification, incorrect installation, misuse or use with incompatible components may invalidate this declaration.
