PRODUCT SAFETY & COMPLIANCE DECLARATION

Manufacturer declaration under Regulation (EU) 2023/988 on general product safety

Document number	WO-GPSR-APB-B-01	Date of issue	1 January 2026
Place of issue	Wrocław, Poland	Revision	01

1. Manufacturer

WhiteOak Sport Equipment Jakub Kozłowski
Jerzmanowska 107, 54-530 Wrocław, Poland
Website: whiteoak.com.pl

2. Product identification

Product name	WhiteOak Adjustable Pull-Up Bar - Basic
Models / configurations	Five-height mounting system; lengths below 100 cm and 100-120 cm
GTIN / EAN	5905427359319
Product page	https://whiteoak.com.pl/produkt/x5bar/

3. Product description and intended use

An adjustable doorway pull-up system consisting of a solid beech bar and high-strength birch plywood side supports. The supports provide five mounting heights and are screw-fixed to the door frame or another structurally suitable surface.

- Pull-ups, chin-ups, controlled hanging and bodyweight exercises
- Low-position exercises when installed at an appropriate height
- Use of two compatible sets as a multi-rung home training arrangement

4. Declaration

The manufacturer declares under its sole responsibility that the product identified above has been designed and manufactured so that, when correctly installed where applicable and used for its intended purpose in accordance with the supplied instructions and warnings, it complies with the general safety requirement and applicable manufacturer obligations of Regulation (EU) 2023/988.

5. Basis of the declaration

- Product specification, materials and construction review
- Internal assessment of intended use and reasonably foreseeable misuse
- Assessment of mechanical, stability, entrapment, fall and installation hazards as applicable
- Manufacturer functional inspection and quality-control procedures
- User instructions, mounting requirements and safety warnings

6. Essential safety conditions

- Mount only to a strong, load-bearing door frame or wall surface using suitable fasteners.
- Both side supports must be vertical, aligned and securely fixed. Fully seat the bar in matching slots before loading.
- Do not change the bar position while it is loaded.
- Avoid swinging, kipping, jumping onto the bar and lateral or twisting loads.
- Inspect plywood supports, wooden bar and all fasteners before each use.
- A two-set configuration does not constitute a certified gymnastics ladder and must be used only as described in WhiteOak instructions.

7. Regulatory status

This is a voluntary manufacturer product-safety and compliance declaration. It is not an EU Declaration of Conformity issued under CE-marking legislation. Based on the product function described above, no CE mark is affixed under this declaration. Any third-party wall, door frame, gym ladder, hangboard, climbing hold, fastener or accessory remains subject to its own suitability, limits and documentation.

8. Technical documentation and validity

The manufacturer retains product identification, construction information, internal risk assessment, test or inspection records, user-safety information and traceability records for the period required by Regulation (EU) 2023/988. This declaration applies only to an unmodified product. Unauthorised modification, incorrect installation, misuse or use with incompatible components may invalidate this declaration.

Signed for and on behalf of the manufacturer

Jakub Kozłowski
Owner / Manufacturer
