PRODUCT SAFETY & COMPLIANCE DECLARATION

Manufacturer declaration under Regulation (EU) 2023/988 on general product safety

Document number	WO-GPSR-GLB-01	Date of issue	1 January 2026
Place of issue	Wrocław, Poland	Revision	01

1. Manufacturer

WhiteOak Sport Equipment Jakub Kozłowski
Jerzmanowska 107, 54-530 Wrocław, Poland
Website: whiteoak.com.pl

2. Product identification

Product name	WhiteOak Gym Ladder Base for Hangboards
Models / configurations	Base only; base supplied with WhiteOak Classic hangboard; panel with 15 M10 mounting points
Product page	https://whiteoak.com.pl/produkt/baza-na-drabinke-gimnastyczna-do-chwytotablicy/

3. Product description and intended use

A removable mounting base designed to attach a compatible hangboard and climbing holds to a structurally sound gym ladder without drilling into a wall. The base hooks over a ladder rung and provides working clearance from the wall.

- Mounting compatible hangboards to gym ladders
- Mounting compatible climbing holds using the provided M10 positions
- Controlled hanging, pull-up and grip-training exercises

4. Declaration

The manufacturer declares under its sole responsibility that the product identified above has been designed and manufactured so that, when correctly installed where applicable and used for its intended purpose in accordance with the supplied instructions and warnings, it complies with the general safety requirement and applicable manufacturer obligations of Regulation (EU) 2023/988.

5. Basis of the declaration

- Product specification, materials and construction review
- Internal assessment of intended use and reasonably foreseeable misuse
- Assessment of mechanical, stability, entrapment, fall and installation hazards as applicable
- Manufacturer functional inspection and quality-control procedures
- User instructions, mounting requirements and safety warnings

6. Essential safety conditions

- Use only on a securely wall-mounted and structurally sound gym ladder with compatible rung dimensions.
- Confirm that hooks are fully seated and the base cannot rotate, lift or slide before use.
- Install hangboards and holds using correct bolts, washers and thread engagement.
- Do not exceed the limits of the base, host ladder, mounted hangboard, holds or fasteners - the lowest applicable limit governs.
- Avoid dynamic moves, jumping to holds and uncontrolled swinging unless specifically permitted by the instructions.
- Inspect all hooks, panels, bolts, holds and the host ladder before each session.

7. Regulatory status

This is a voluntary manufacturer product-safety and compliance declaration. It is not an EU Declaration of Conformity issued under CE-marking legislation. Based on the product function described above, no CE mark is affixed under this declaration. Any third-party wall, door frame, gym ladder, hangboard, climbing hold, fastener or accessory remains subject to its own suitability, limits and documentation.

8. Technical documentation and validity

The manufacturer retains product identification, construction information, internal risk assessment, test or inspection records, user-safety information and traceability records for the period required by Regulation (EU) 2023/988. This declaration applies only to an unmodified product. Unauthorised modification, incorrect installation, misuse or use with incompatible components may invalidate this declaration.

Signed for and on behalf of the manufacturer

Jakub Kozłowski
Owner / Manufacturer
