PRODUCT SAFETY & COMPLIANCE DECLARATION

Manufacturer declaration under Regulation (EU) 2023/988 on general product safety

Document number	WO-GPSR-RPB-01	Date of issue	1 January 2026
Place of issue	Wrocław, Poland	Revision	01

1. Manufacturer

WhiteOak Sport Equipment Jakub Kozłowski
Jerzmanowska 107, 54-530 Wrocław, Poland
Website: whiteoak.com.pl

2. Product identification

Product name	WhiteOak Replacement Wooden Pull-Up Bar
Models / configurations	Solid beech replacement bar; lengths below 100 cm and 100-120 cm
Product page	https://whiteoak.com.pl/produkt/dodatkowy-drazek/

3. Product description and intended use

A solid beech replacement or additional bar designed for compatible WhiteOak removable and adjustable pull-up systems. It is supplied without mounting supports and may require cutting to fit an existing installation.

- Replacement of a worn or damaged compatible WhiteOak bar
- Additional bar for an existing compatible WhiteOak support system

4. Declaration

The manufacturer declares under its sole responsibility that the product identified above has been designed and manufactured so that, when correctly installed where applicable and used for its intended purpose in accordance with the supplied instructions and warnings, it complies with the general safety requirement and applicable manufacturer obligations of Regulation (EU) 2023/988.

5. Basis of the declaration

- Product specification, materials and construction review
- Internal assessment of intended use and reasonably foreseeable misuse
- Assessment of mechanical, stability, entrapment, fall and installation hazards as applicable
- Manufacturer functional inspection and quality-control procedures
- User instructions, mounting requirements and safety warnings

6. Essential safety conditions

- Use only with compatible WhiteOak supports and with the correct finished length.
- Measure carefully and follow WhiteOak cutting and fit instructions. An incorrectly shortened bar may disengage from its supports.
- After cutting, remove sharp edges and inspect the wood for splitting or damage.
- Do not use the bar as a standalone beam, bridging element or with improvised supports.
- Avoid dynamic and shock loading. Observe the load limit of the complete support system.
- Inspect the bar and mounting system before every use.

7. Regulatory status

This is a voluntary manufacturer product-safety and compliance declaration. It is not an EU Declaration of Conformity issued under CE-marking legislation. Based on the product function described above, no CE mark is affixed under this declaration. Any third-party wall, door frame, gym ladder, hangboard, climbing hold, fastener or accessory remains subject to its own suitability, limits and documentation.

8. Technical documentation and validity

The manufacturer retains product identification, construction information, internal risk assessment, test or inspection records, user-safety information and traceability records for the period required by Regulation (EU) 2023/988. This declaration applies only to an unmodified product. Unauthorised modification, incorrect installation, misuse or use with incompatible components may invalidate this declaration.

Signed for and on behalf of the manufacturer

Jakub Kozłowski
Owner / Manufacturer
