PRODUCT SAFETY & COMPLIANCE DECLARATION

Manufacturer declaration under Regulation (EU) 2023/988 on general product safety

Document number	WO-GPSR-LAD-B-01	Date of issue	1 January 2026
Place of issue	Wrocław, Poland	Revision	01

1. Manufacturer

WhiteOak Sport Equipment Jakub Kozłowski
Jerzmanowska 107, 54-530 Wrocław, Poland
Website: whiteoak.com.pl

2. Product identification

Product name	WhiteOak Basic Training Ladder
Models / configurations	Wall-mounted solid-beech ladder with adjustable pull-up bar; optional desk module
GTIN / EAN	5905427359463
Product page	https://whiteoak.com.pl/produkt/drabinka-treningowa-basic/

3. Product description and intended use

A wall-mounted training ladder made primarily from solid beech wood and equipped with an adjustable pull-up bar. It is intended for home strength, mobility, stretching and controlled bodyweight training. An optional desk module may be attached in accordance with separate instructions.

- Strength, mobility, stretching and controlled hanging exercises
- Pull-ups using the integrated adjustable bar
- Use of the optional desk module for non-training purposes when correctly installed

4. Declaration

The manufacturer declares under its sole responsibility that the product identified above has been designed and manufactured so that, when correctly installed where applicable and used for its intended purpose in accordance with the supplied instructions and warnings, it complies with the general safety requirement and applicable manufacturer obligations of Regulation (EU) 2023/988.

5. Basis of the declaration

- Product specification, materials and construction review
- Internal assessment of intended use and reasonably foreseeable misuse
- Assessment of mechanical, stability, entrapment, fall and installation hazards as applicable
- Manufacturer functional inspection and quality-control procedures
- User instructions, mounting requirements and safety warnings

6. Essential safety conditions

- Mount only to a suitable load-bearing wall using every specified attachment point and appropriate fasteners.
- Check wall condition and installation before first use and periodically thereafter.
- Fully seat and secure the adjustable bar before loading.
- Remove or position the optional desk module as instructed before exercises that could contact it.
- Children require direct adult supervision. Keep the surrounding area free of furniture and hard obstacles during exercise.
- Inspect rungs, rails, joints, metal parts, bar and wall fasteners regularly. Stop use if any component loosens or cracks.

7. Regulatory status

This is a voluntary manufacturer product-safety and compliance declaration. It is not an EU Declaration of Conformity issued under CE-marking legislation. Based on the product function described above, no CE mark is affixed under this declaration. Any third-party wall, door frame, gym ladder, hangboard, climbing hold, fastener or accessory remains subject to its own suitability, limits and documentation.

8. Technical documentation and validity

The manufacturer retains product identification, construction information, internal risk assessment, test or inspection records, user-safety information and traceability records for the period required by Regulation (EU) 2023/988. This declaration applies only to an unmodified product. Unauthorised modification, incorrect installation, misuse or use with incompatible components may invalidate this declaration.

Signed for and on behalf of the manufacturer
